

Appendix A: MOEquity Data Submission (Updated July 26, 2022)

State Michigan

Each SEA must submit the following MOEquity baseline and initial data by July 30, 2021. To the extent that FY 2022 funding data are not available, an SEA may provide projected data or request an extension to provide the data that are not currently available by October 15, 2021.

For the purposes of maintaining equity for FY 2022, each State must submit in a spreadsheet in .xls, .csv or similar format:

1. A list of the State’s high-need LEAs including NCES LEA/district ID;
2. The average statewide per-pupil amount of State funds provided to all LEAs in the State in FY 2021;
3. The average statewide per-pupil amount of State funds provided to all LEAs in the State in FY 2022 (if available);
4. The per-pupil amount of State funds provided to each high-need LEA in the State in FY 2021;
5. The per-pupil amount of State funds provided to each high-need LEA in the State in FY 2022 (if available);
6. A list of the State’s highest-poverty LEAs including NCES LEA/district ID;

8. The per-pupil amount of State funding provided for each highest-poverty LEA in FYs 2022 (if available); and
9. A list of the high-poverty schools in each LEA in the State (including the NCES school ID) for which it must maintain equity in FY 2022 (which may be provided via a link to a website if the State posts such information on its public website).

For the purposes of maintaining equity for FY 2023, each State must update their original MOEquity data submission to include initial FY 2023 data by July 29, 2022. To the extent that FY 2023 funding data are not available, an SEA may provide projected data or request an extension to provide the data that are not currently available by October 14, 2022. States must submit the following in a spreadsheet in .xls, .csv or similar format:

10. The average statewide per-pupil amount of State funds provided to all LEAs in the State in FY 2023 (if available);
11. The per-pupil amount of State funds provided to each high-need LEA in the State in FY 2023 (if available);

The Department will consider FY 2022 data submitted in the ESSER Annual Performance Report (APR) as final. States may update the FY 2022 data in their original submission to include changes reflected in the APR.

**American Rescue Plan
LEA Certification of Exception from Local Maintenance of Equity Requirements**

Please submit this certification to your SEA, which will notify the Department which LEAs in the State are excepted from the local maintenance of equity requirements under section 2004(c)(2) of the American Rescue Plan (ARP) Act due to such certifications for FY 2022, FY 2023, or both FYs 2022 and 2023.

LEA name: Elk Rapids Schools
State: Michigan

On behalf of my local educational agency (LEA), I Louise McCann (name),
Director of Finance (title), certify that for the:

- 2021-2022 school year (FY 2022)
- 2022-2023 school year (FY 2023)

this LEA demonstrates an exceptional or uncontrollable circumstance under section 2004(c)(2) of the ARP Act. Specifically, this LEA faces implementation challenges due to the enactment of the ARP Act in March 2021 and the impact of the pandemic with respect to budget and enrollment uncertainty. The LEA certifies it will not implement an aggregate reduction in combined State and local per-pupil funding for the relevant fiscal year(s).

By signing this certification, I hereby confirm that I am the authorized representative, with the fiscal and legal authority, to certify on behalf of this school district. In addition, to the best of my knowledge and belief, all the information in this certification is true and correct.
