Dear Friends,

The Elk Rapids Schools continue to lead the way in educational excellence as one of the top schools in Northern Michigan and the regional school of choice for our area. Once again, our district consistently earned higher state standardized achievement test scores compared with the state and region.

What allows such success to be achieved? Great teachers, outstanding students, caring, committed families, a supportive community, and a Board of Education that puts children first in all they do. It is what Elk Rapids Schools are all about. We are excited about the 2017-2018 school year and the many activities and learning experiences our students and staff will engage in! We continue to provide the best in early childhood learning at both Lakeland and Mill Creek Elementary and also offer before and after school childcare for our families. Our robust K-12 curriculum will continue to be offered and we are proud to have foreign language opportunities at all buildings. We take great pride in being the first International Baccalaureate World Schools in Northern Michigan as Cherryland Middle School, Lakeland Elementary, and Mill Creek Elementary have each earned that distinction. Elk Rapids High School was ranked #1 in the region in terms of standardized test achievement. We have expanded our high school Honors Academy, Advanced Placement and online courses and we continue to offer many opportunities for students in extra-curricular activities. Sunrise Academy offers another path to success for students with its diverse and alternative education program for students in grades 9-12. Elk Rapids Schools will continue to succeed and “invest in our future.”

We would like to sincerely thank you for supporting the May 2, 2017 millage. THANK YOU VOTERS! The School Board and I thank you for your commitment to Elk Rapids Schools. The tradition of excellence will continue with our community partnership and dedication to children. We are fortunate to be part of a community that embraces our school district and students. The new restrooms/concessions at outdoor facilities, along with much needed athletic field drainage is greatly appreciated.

Twenty-first century students are utilizing new technologies to learn, communicate, collaborate and create. School systems need to be adaptive and agile to reach the modern day learner. Included in our plan to better reach our students is to effectively use technology. The Elk Rapids School District is committed to one-to-one computing devices for our K-12 students that allows each of our students to have access to this innovative technology. Our mission is to energize, fuel and engage our twenty-first century learners.

If you are already a member of our school family, thank you for your loyalty and support. If you are not yet a part of our Elk family, we invite you to come check us out. Our staff and administrators would love to meet you, answer any questions you may have and give you a personal tour of our facilities. It is an honor and privilege to serve as Superintendent of Elk Rapids Schools. We are going to have a great year! Please feel free to contact me if you ever have any questions or concerns.

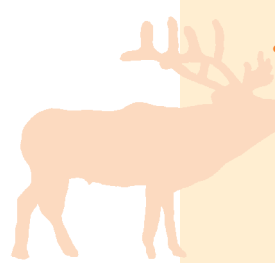

Yours in Education,
Stephen R. Prissel

Emergency School Closings

On days when it becomes necessary to close or delay the starting of school because of weather or other unscheduled reasons, announcements will be made on the following radio and television stations before 7:00 a.m.:

Television: 9&10 News and 7&4 News
 Radio: WTCM WLDR WKHQ WCCW WKLT/WKPK

- Official notification of school closings or delays will be broadcast on these stations.
- Please do *not* call the schools, stations or school personnel to get such information.
- Please check our website at www.erschools.com for school closings and delays.
